Objective

A highly motivated and detail-oriented engineering student with a robust foundation in web design, front-end development, and automotive systems. Eager to leverage my technical skills, hands-on internship experience in web development and automotors, and collaborative spirit to contribute to a dynamic and innovative team.

Skills

Programming Languages: Python, HTML, C
Tools / Platforms: Figma, Microsoft Office

Experience

Internship | Web Designer and Front-End Developer VDC, GITAM University
January 2024 - March 2024

- Sole web designer and front-end developer for the VDC Directorate.
- Designed and managed the website, demonstrating strong skills in both design and project management.
- Successfully contributed to the project's success, eager to apply this experience to a new role.

Certifications & Awards

- C Programming - Face Prep, 19.02.2024
- Bronze Medal - Spell Bee Competition, 2019
- 3rd Place - Hackathon organized by GITAM University

Projects

Suspension-Based Power Charging for Electric Vehicles Embedded C, Arduino, MATLAB
Ongoing Project, 2024

- Coded the embedded systems using Embedded C for Arduino.
- Utilized MATLAB for software development and simulation.
- Contributing to both hardware and software aspects of the project.

Education

GITAM University	Bangalore, KA
Bachelor of Technology	2021 -2025
CGPA: 8.33	
Narayana Junior College	Tirupati, AP
MPC Intermediate	2019 - 2021
Percentage: 85.9%	
Narayana Junior College	
Sri City Chinmaya Vidyalaya	Tada, AP
10th std	2019
Percentage: 82%
